### Agenda

#	Agenda Topic & Meeting Summary	Led By
1.0	Status Report	Joyce
	Data Cookbook update:	Lopes
	<ul> <li>Data Cookbook has been purchased. Implementation sessions will be scheduled beginning late July/Early August (following the July DWLT meeting).</li> </ul>	
	<ul> <li>Following the first implementation session, the DWLT may release a Portal announcement and solicit input from campus departments.</li> </ul>	
	Subgroup Status Reports:     HR Group	
	<ul> <li>The Faculty Dashboard has been presented, with overall positive results. There are currently only a few technical details (permissions) to be refined.</li> </ul>	
	<ul> <li>The Employee Dashboard requires a small amount of additional work in order to be presentation-ready. Denise Giltzow would like to demonstrate this dashboard to the DWLT at the next team meeting.</li> </ul>	
	Enrollment Group	
	<ul> <li>Vikash Lakhani and IR demonstrated a dashboard to the Enrollment group, for student level data.</li> </ul>	
	<ul> <li>The group discussed Legislative Analyst's Office Performance Metrics, and how best to incorporate these metrics into the current work with campus dashboards.</li> </ul>	
2.0	Review Projects in Progress:	Bethany
	Presentation of EDM Team Goals for 14/15.	Rizzardi
	<ul> <li>Presentation of EDM's internal project list, demonstrating the request prioritization process.</li> </ul>	
3.0	Group Charge:
