

# CLICKERS @ HSU

Turning Point Cloud

# Requirements

- Registration
- License
- Response device

# Registration

Turning Account

# Turning Account Registration Process

- You must register via the LMS -- either in Canvas or Moodle or both depending on which classes are using clickers -- to associate your Turning Account with the LMS
- Your instructor will set up a registration link in the course
- You must use your HSU email address to register

Registration

Courses

On

Moodle

# Registration via Moodle

- When you sign in to a Moodle class that requires a clicker, you'll see a Turning Account Registration link
- Click the link

The screenshot shows the Moodle interface for a course titled "Clicker Test Course". At the top, there is a navigation bar with "Humboldt State University", "English - United States (en\_us)", "My courses", "Moodle Menu", and "This course". Below this is the Moodle logo and "Moodle 2.8 for Humboldt State University". The breadcrumb trail reads "My home > My courses > Moodle Support > Clicker Test Course".

On the left, a "NAVIGATION" sidebar lists "My home", "Site home", "Site pages", "My profile", "Current course", and "Clicker Test Course" with sub-items: "Participants", "Badges", "General", and "Hallways and Windows".

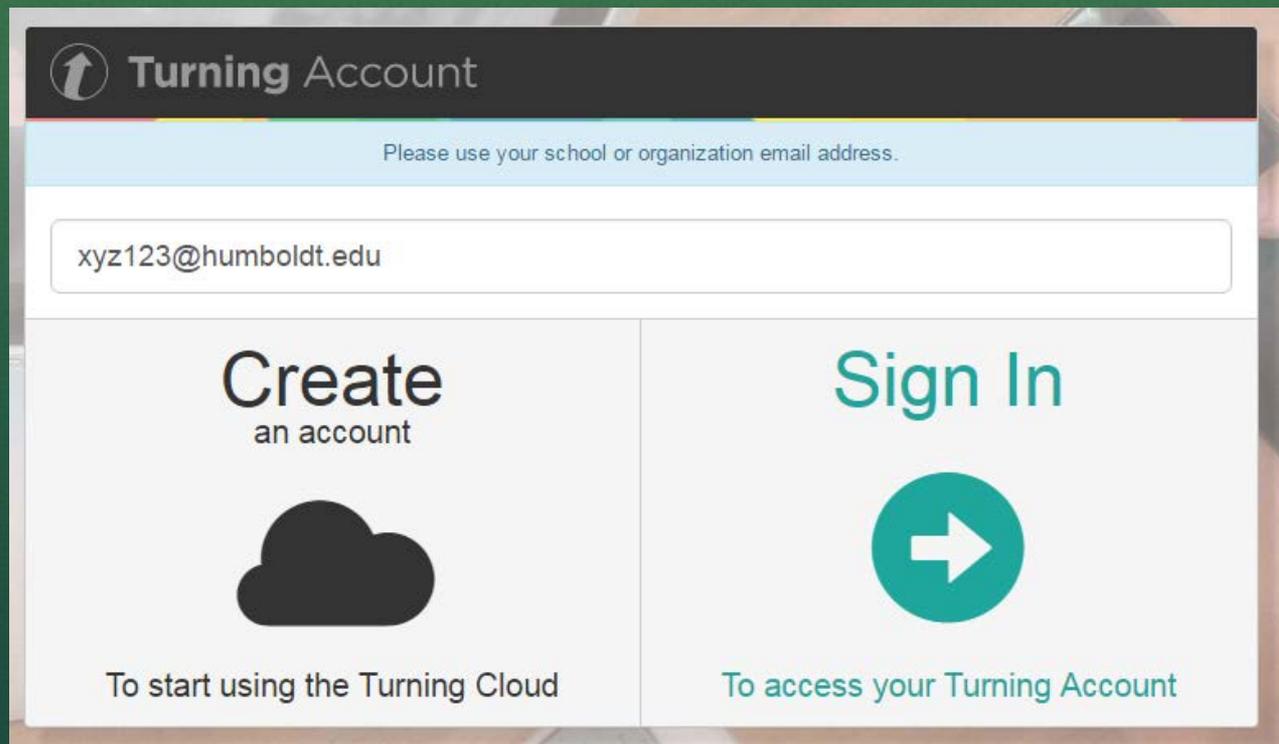

The main content area is titled "Clicker Test Course" and displays a list of items to be completed this week. The items are:

- Rebecca's Humboldt Users page (with an "Edit" link)
- Turning Account Registration** (with an "Edit" link, circled in red)
- WEEK 1 (with an "Edit" link and a user icon)
- News forum (with an "Edit" link and a user icon)

Below the list, it says "This is a list of items to be completed this week."

# Registration via Moodle

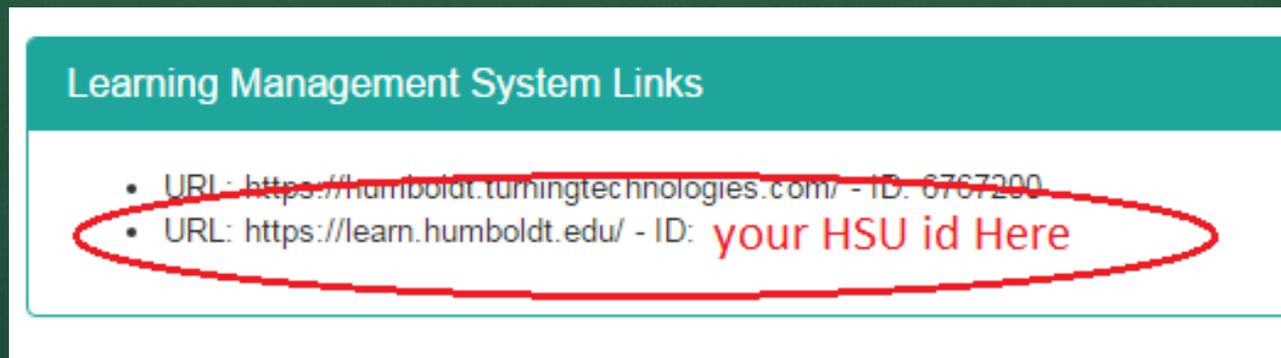

- You must create a Turning Account
- Use your HSU email address
- If you already have a Turning Account, sign in

The screenshot shows the Turning Account interface. At the top, there is a dark header with the Turning Account logo (an upward-pointing arrow in a circle) and the text "Turning Account". Below the header is a light blue banner with the text "Please use your school or organization email address." Underneath the banner is a white input field containing the email address "xyz123@humboldt.edu". Below the input field are two main buttons. The left button is labeled "Create an account" and features a black cloud icon. Below this button is the text "To start using the Turning Cloud". The right button is labeled "Sign In" and features a teal circular icon with a white right-pointing arrow. Below this button is the text "To access your Turning Account".

# Registration via Moodle

- You will receive a verification email from Turning Point to complete the registration process when you create an account
  - Follow the link to set-up your account
  - You may skip the license and device set-up at this point and go back later to add them
- Your account will be linked to Moodle if you see

Learning Management System Links

- URL: ~~https://humboldt.turningtechnologies.com/~~ - ID: 6767290
- URL: <https://learn.humboldt.edu/> - ID: your HSU id Here

The second URL and its ID are circled in red in the original image.

Courses

on

Canvas

# Registration via Canvas

- Within your Canvas course, select Modules from the list of activities
- Click Turning Account Registration

# Registration via Canvas

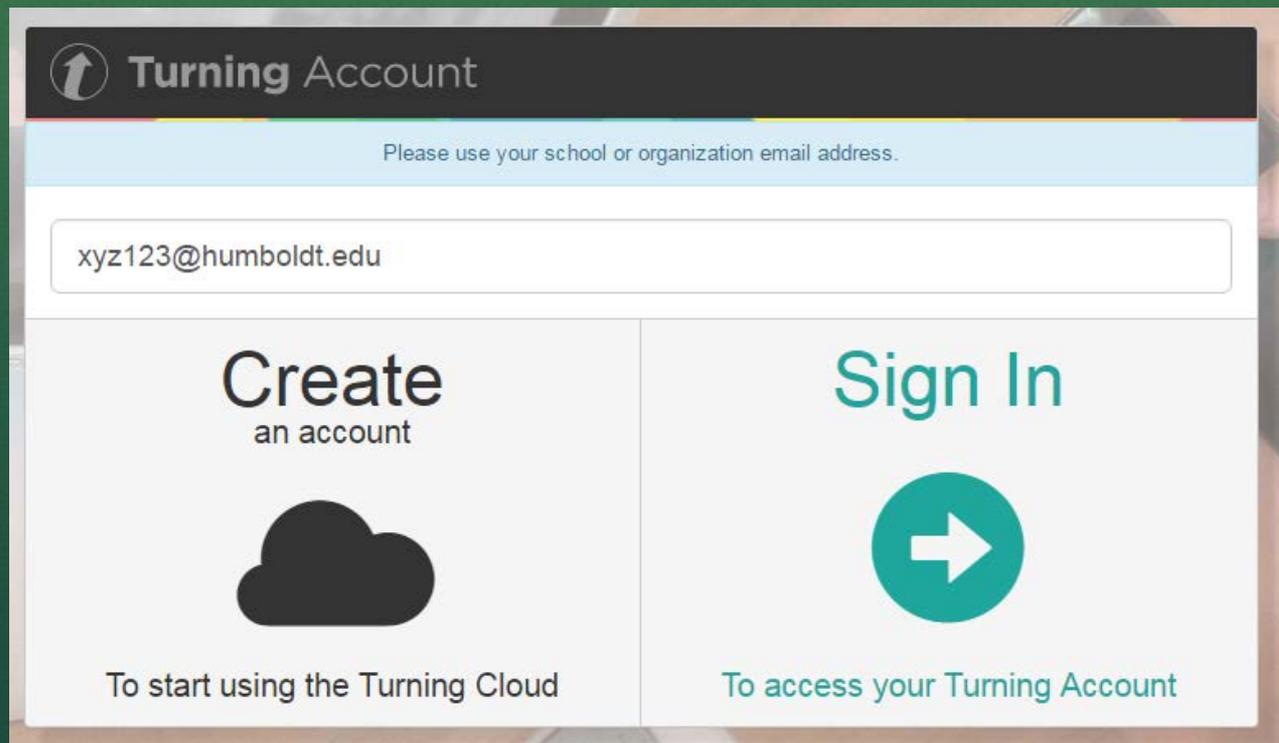

- Canvas will prompt you to allow navigation to the Turning Account Registration
- Click the link to visit the account registration login

This tool needs to be loaded in a new browser window

Load Turning Account Registration' in a new window

# Registration via Canvas

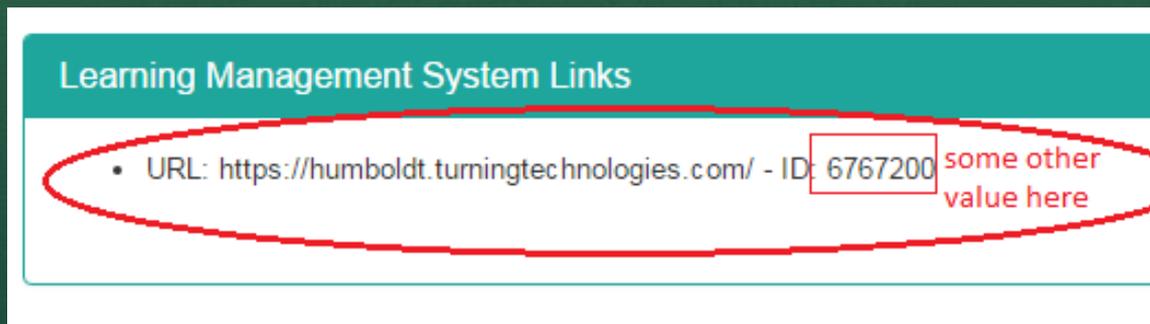

- You must create a Turning Account
- Use your HSU email address
- If you already have a Turning Account, sign in

The screenshot shows the Turning Account registration interface. At the top, there is a dark header with the Turning Account logo (a stylized 't' in a circle) and the text "Turning Account". Below the header is a light blue banner with the instruction "Please use your school or organization email address." Underneath this banner is a white input field containing the email address "xyz123@humboldt.edu". The main content area is divided into two columns. The left column is titled "Create an account" and features a black cloud icon. Below the icon, it says "To start using the Turning Cloud". The right column is titled "Sign In" and features a teal circular button with a white right-pointing arrow. Below the button, it says "To access your Turning Account".

# Registration via Canvas

- You will receive a verification email from Turning Point to complete the registration process when you create an account
  - Follow the link to set-up your account
  - You may skip the license and device set-up at this point and go back later to add them
- Your account will be linked to Canvas if you see

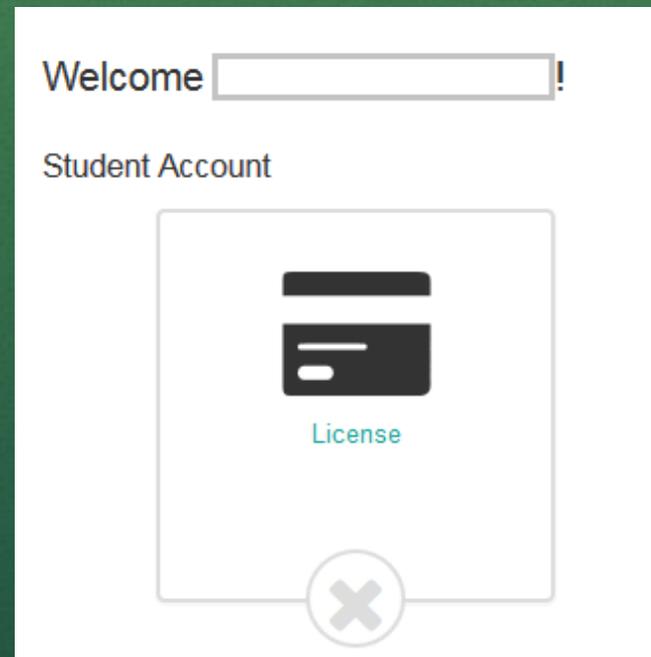

# License

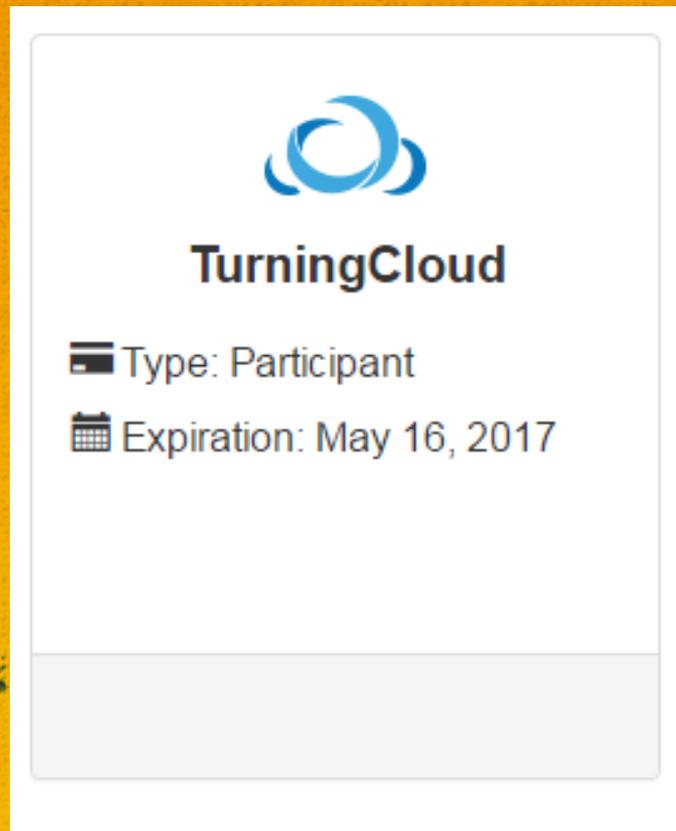

Turning Account

# License

- Your classroom responses will not be integrated into Canvas or Moodle until you've activated a license

# License

- The next step in using clickers in the classroom is the license.
- A license can be purchased via the Turning Account dashboard or at the Bookstore
- A license is included with the purchase of a new clicker (bundled)
- License cost:
  - \$20.99 – one-year
  - \$31.50 – two-year
  - \$35.00 – three-year
  - \$37.00 – four-year

# License

- Click Add a license

# License

## Turning Account

The image shows a user interface for license management. It features a dashed-line box containing the following elements:

- A text input field labeled "License Code".
- A button labeled "Redeem" positioned to the right of the input field.
- A horizontal line with a circle in the center containing the word "or".
- A button labeled "Purchase a License" positioned below the line.

- **Do you have a license?**

- Yes
  - Enter the Code from the license you purchased at the bookstore
  - Click Redeem

-OR-

- No
  - Click Purchase a License to purchase directly from Turning Point

# STUDENT REBATE OFFER

For Humboldt State University

In order to reduce student costs, Turning Technologies is offering a \$20.99 rebate for Turning Account license purchases.

A Turning Account is a unique identifier that links you to your response devices. A Turning Account license includes a ResponseWare license.

**ONE  
YEAR  
LICENSE**

SEE BACK FOR DIRECTIONS

TO REDEEM REBATE VISIT:  
[rebates.turningtechnologies.com](https://rebates.turningtechnologies.com)

Rebate Code: Rhusu20

Offer only valid for purchase of Turning Account licenses during the 2016-2017 academic year. Offer only applies to students who previously have purchased a Turning Technologies response device.

1-866-746-3015 | [TurningTechnologies.com](https://turningtechnologies.com)

If you already have a clicker -- Turning Point is offering a rebate for the cost of a one-year license

[Turning Technologies ResponseWare FAQ's](#)

# ResponseWare®

- Always sign-in to Turning Account with your HSU email address to receive credit for your responses
- ResponseWare works in smart classrooms with Wifi or a data plan
- ResponseWare requires an instructor provided Session Id to link with the classroom polling
- ResponseWare will not be utilized by all faculty at HSU – you may still need a clicker

# Clickers

You must complete this final step in the registration process to use clickers in the classroom.

# Clickers

- The bookstore will have new clickers for sale – bundled with a one-year license
- The bookstore will no longer rent clickers
- Used clickers are available from outside vendors
  - ISBN#: 978-193-4931400
  - You will still need to purchase a license if you have a clicker or purchase a used one

Device

Learning Management System

Organization

- Humboldt State University - [www.humboldt.edu](http://www.humboldt.edu)

Learning Management System Links

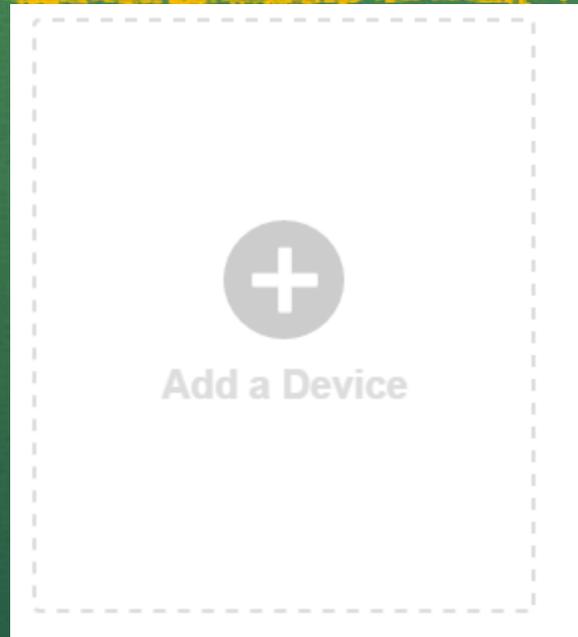

- URL: <https://humboldt.turningtechnologies.com/> - ID: 7005476

The screenshot shows a user interface for a Turning account. At the top, a green notification bar states "Learning Management System successfully associated with account." Below this, a "Welcome" message is followed by a text input field. The "Student Account" section features three icons: "License" (a credit card icon), "Device" (a calculator icon), and "Learning Management System" (a chain link icon). The "Device" icon is circled in red. Each icon has a small circular status indicator at the bottom: a grey 'X' for License and Device, and a green checkmark for Learning Management System. Below the icons are two teal-colored sections: "Organization" with the text "Humboldt State University - www.humboldt.edu" and "Learning Management System Links" with the text "URL: https://humboldt.turningtechnologies.com/ - ID: 7005476".

- Click Device to open the profile setting Manage Response Devices tab

# Clickers

## Device Registration on Turning Account

- **Click** Add a Device

# Clickers

## Device Registration on Turning Account

- You will find the Device Id on the back of your clicker --
  - It will be a 6-digit hexadecimal value
- Enter the Device Id
- Click Register

The screenshot shows a registration form with a dashed border. At the top is a text input field labeled "Response Device ID". To its right is a "Register" button. Below this is a horizontal line with a circle containing the word "or" in the center. At the bottom is a button labeled "Purchase a Response Device".

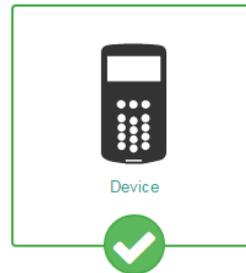

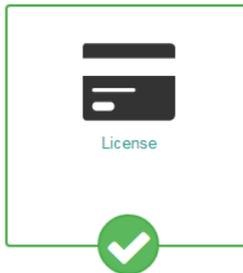

# Registration

Turning Account  
Recap

# Registration is complete when your Turning Point dashboard has:

- License
- Device
- Learning Management System  
Canvas and/or Moodle

## Student Account

## Organization

- Humboldt State University - [www.humboldt.edu](http://www.humboldt.edu)

## Learning Management System Links

- URL: <https://humboldt.turningtechnologies.com/> - ID: 6767200
- URL: <https://learn.humboldt.edu/> - ID: RJW125

# Registration

Turning Account

Recap

- Register once from Moodle and once from Canvas to complete the LMS links
- Activate a license
- Add a clicker

# Troubleshooting Tips

- Remove plastic tab on new clickers to engage the battery
- Review your Device ID at Turning Account Manage Response Device tab under the profile -- Spelling counts!
- Make sure you are on the proper channel for your current class
- Sign-in and use the current Session Id for ResponseWare

# Troubleshooting Tips

- An active clicker with a “blank screen” is OK – the clicker is in a power save mode
- Change your password, update Turning Account information at <https://account.turningtechnologies.com/account/>
- [Clicker Quick Guide](#)

# Clicker Support:

<http://www.humboldt.edu/its/clickers>

The Clicker Support Team **CAN** help you with:

- Clicker Registration
- Clicker Malfunction

The Clicker Support Team **CANNOT** help you with:

- Grades/Points associated with participation in class

If you **do not register or register properly**  
you **will not receive points** in class

Happy Clicking!

Press 3 if you enjoyed the show.
