Welcome to the HSU Voicemail System

Before You Start

Below is the information you need to set up your new voicemail box:

On-campus access number: x6999

Off-campus access number: (707) 826-6999

Your temporary security code to set up your voicemail box is 0000.

Setting Up Your Mailbox

Follow these simple steps to start using OneBox.

- 1. Dial the on- or off-campus voicemail access number above.
- If you're off-campus, press # to bypass the HSU welcome message and enter your mailbox number.
- 3. Enter the temporary security code above.

From this point on, just follow the system prompts to:

- Set a new, personalized, security code
- Record your name
- Record a personalized greeting for your callers

You will know that you've completed the setup correctly when you hear "Congratulations".

IMPORTANT!

If you hang up before you hear the word "Congratulations", you'll have to repeat the entire setup process, including setting a new PIN. Below are the key command sequences you'll need most often to manage your voicemail:
